Tasks	Actors	Description
Algorithm	Pierre & Thomas	Write the symfony2 code in the controller which is concern by the "/evaluations" request

Look at the SAFAPS evidence for more information & question_SAFAPS_sprint_3 for an example (upload on google drive)

Ask Narms product owner if you have some question (Jeremy) |
RabbitMQ	Jeremy	No idea for now
Documentation	Saqib	
Test part	Not assigned for this sprint	

Suggest:
Use PostMan to test the algo
